Invitation Back

This mystery is set to the wine region of Napa Valley California. Five years ago Barry Underwood owner of the prestigious Underwood Wine Estates, mysteriously disappeared during the valley's annual wine festival. A massive search at the time failed to turn up any clues and the case has been in the FBI's unsolved files since then.

Now, five years later, it is once again time for the annual wine festival in Napa Valley. Last night family and friends gathered at the stately Underwood mansion to celebrate. At midnight, an earthquake shook the mansion, causing an old wooden floor in the wine cellar to buckle. Barry's well preserved body was discovered under the cedar planks. It is a clear case of murder and you are one of the suspects.
